They are as follows: Commissioner, Mrs. Raymond D. Andrews; first deputy, Mrs. Walter Nollac; 2nd deputy, Mrs. Sam Haskins Jr.; treasurer, Mrs. S. E. ### U.S.S. Missouri to be Scene of Historic Jap Surrender

The United States Navy's mighty 45,000-ton battleship, the U.S.S. Missouri, will end her World War II career in a blaze of glory, August 31, 1945, in Tokyo Bay, when she serves as the scene of the historic unconditional surrender of Japan to the United Nations. Proudly bearing the name of the home State of President Harry S. Truman, the fighting U.S.S. Missouri, has been named by General of the Army Douglas MacArthur, Supreme Allied Commander, as the locale of the formal ending of the war in the Pacific. Fleet Admiral Chester W. Nimitz, Commander-in-Chief of the United States Pacific Fleet and Pacific Ocean Areas, will sign for the United States; General of the Army MacArthur, for the Allied forces which fought in the Pacific. The U.S.S. Missouri was launched January 29, 1944. Construction was ordered June 12, 1940. Her keel was laid on January 6, 1941, at the New York Navy Yard.

### STANSBURY RECITAL PROMISES TO BE GREAT SUCCESS

Sponsored by Local Civic Club, Gustav Riherd at Piano

Members of the Sierra Madre Civic club announce that final arrangements have been completed for the benefit recital in behalf of Miss Charline Stansbury, which will be held Friday evening, September 7. The recital promises to be one of the most delightful musical events of the season, and it is sincerely hoped the public will give its whole-hearted support.

Mrs. Grace McCarty, voice teacher, states that Miss Stansbury is working conscientiously to make the program a success, and a resident of Sierra Madre has expressed her encouragement by saying, "There is nothing I would rather do than give the first dollar toward furthering this young artist's operatic career."

Miss Stansbury has planned an appealing program and will be accompanied by Gustav Riherd, pianist.

Miss Stansbury has been the pupil of Mrs. Grace McCarty for six years and is now studying under Madam Vera Schwars.

The art of singing requires many years of study and is costly. Financial aid from this community will make it possible for Miss Stansbury to enter the Juillard School of Music in New York and to devote her time to the development of her voice.

If you have not bought your ticket to this benefit—but it now! Tickets are on sale at Rikeman's Gift Shop, Hartman's Pharmacy and the Wistaria Bake Shop.

The recital is being sponsored by the Sierra Madre Civic club and the entire proceeds will be given to Miss Stansbury for her musical education.

### Sgt. D. Haddock Helps to Redeploy Material to Pacific

Sgt. Dorothy Haddock, 162 E. Alegria, stationed in France, was given only a short time to celebrate Victory in Europe before she and her unit were back on the job helping with the gigantic task of redeploying Air Forces personnel and supplies to the Pacific. Sgt. Haddock is one of the key personnel needed in the United States Strategic Air Forces in Europe to redistribute the thousands of aircraft, motors and replacement parts which had poured into Europe for the Eighth and Ninth Air Forces.

### AMONG NEW RESIDENTS

Mr. and Mrs. Forest M. Palmer have taken up residence at 672 Brookside Lane. Mr. Palmer is a retired member of the Los Angeles Fire Department.

### PLAYS AT RECITAL SATURDAY

Saturday afternoon several of the younger violinists of Sierra Madre appeared on a program given at the home of their teacher, Mrs. Norma Osborn, 53 E. Duarte Rd., with Miss Claire Parks accompanying. Four-year-old Mary Jo Calhoun started the program with "A Little Waltz." Other pupils were Elizabeth Calhoun, Bill Kellogg and Nancy Rogers.

In order that the personnel of the office and printing department of the Sierra Madre News may have a much needed few days' rest the issue this week is put out as a Vacation Number. Trusting that our public will understand we shall devote renewed energy to your service.

THE PUBLISHERS.

### KIWANIS LADIES' NIGHT

The Kiwanis Ladies' Night has been set for Friday evening, September 7. This will be the first social affair in Kiwanis circles for the early fall. The committee announces this to be a box supper held at the usual place, the Masonic Temple.

### Illness Causes P. L. Bonebrake to Resign

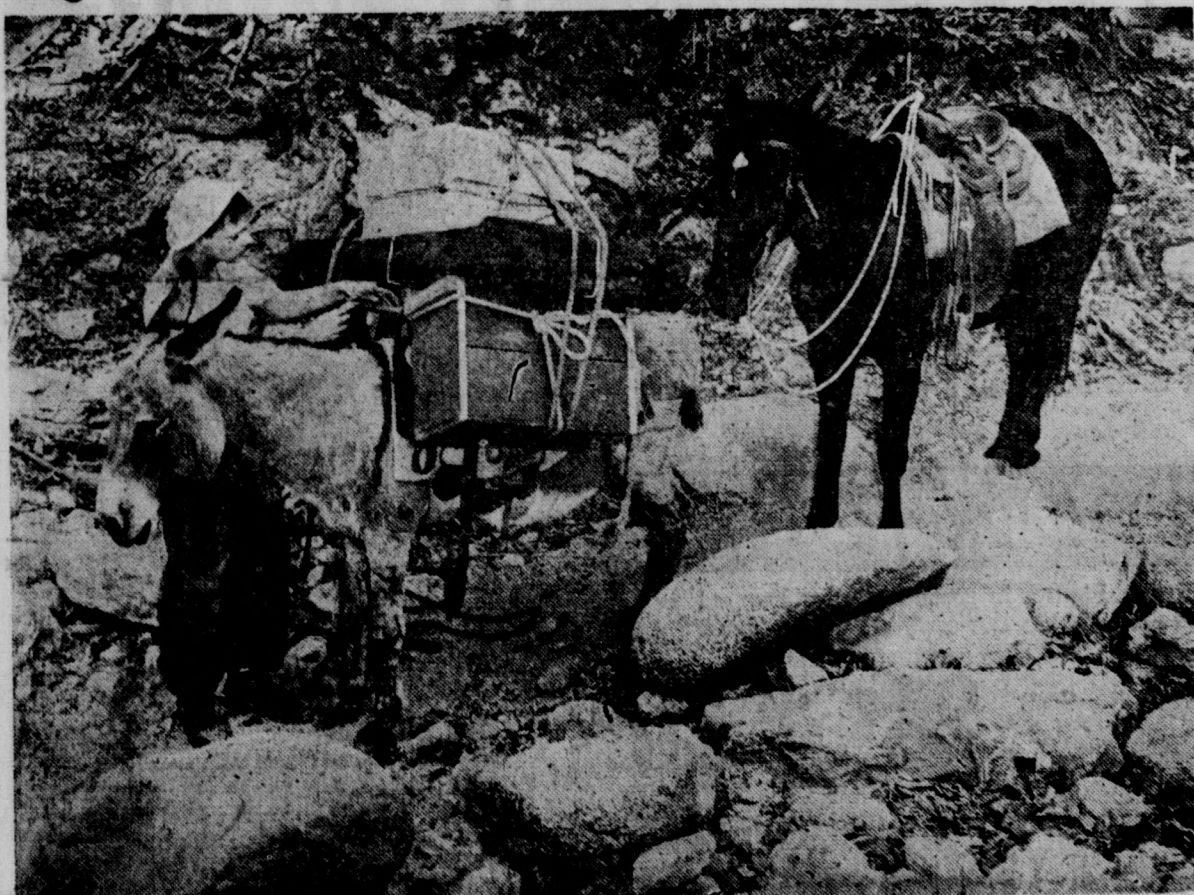

It was with great regret that Chairman Thomas Durning of the Pioneer Program committee received the resignation of P. L. Bonebrake as general chairman and also from the committee. The resignation stated that Mr. Bonebrake had suffered a slight attack of illness and found it necessary to curtail activities for the present, at least during the hot weather.

Mr. Bonebrake has maintained a very far-reaching objective in the Pioneer project and has given it a big pushing start. He has felt that a revival of Pioneer Days would re-dedicate the community to the aims for which the early people came to the mountains. He says if everyone pulls together in this affair they will pull together for future betterment.

### CARD OF THANKS

Mrs. Alta Van Meter and family wish to express to the community and their many friends the deepest appreciation for the many considerations and expressions of sympathy extended during the illness and death of their husband and father, Jacob Arthur Van Meter.

## Big Santa Anita Canyon Proves "West Still Wild"

For Gordon Garrett, Forest Service patrolman in the Big Santa Anita Canyon, "the West is still wild."

He covers 21 miles of rugged mountain country every few days on horseback and meets many denizens of the forest along the way, including foxes, wild cats, coyotes, deer, and occasionally a mountain lion.

He divides his 21-mile patrol, and usually covers about 10 or 12 miles a day. Beginning at the guard station in the mouth of the canyon where he and his wife reside, Patrolman Garrett's area extends into the back country as far as Newcomb's Pass, behind Mt. Wilson.

#### PRIVATE CABIN OWNERS

Many private cabin owners still use their Big Santa Anita Canyon homes for summer vacation, so the Forest Service patrolman often assists these mountain visitors with the problems of living in an isolated area.

Canyon residents must either carry in their supplies or have them taken in by pack train, and one of the few pack trains in the Southern California mountains is maintained at Chantry Flats where the auto road ends in the mouth of the canyon. From 125 to 200 pounds may be packed on one burro, according to Roger Gundry, one of the operators of the pack train.

#### WATER LOWER

Water in the canyon is much lower than at the same time last summer, and unless an early fall prevails the Big Santa Anita may be entirely dry before the winter rains come again, according to Ranger M. W. Durham, to whose district this canyon was added last year.

Vegetation is extremely heavy and dry, with a resulting high fire hazard. Among the wealth of vegetation in the Big Santa Anita this summer is one of the finest displays of blooming yuccas seen there in many years. The monkey flower also blooms profusely throughout the canyon.

## Ordered to Berlin Allied Court Reporter War Criminals' Trial

T/SGT. THOMAS W. MITCHELL

### WOMAN'S CLUB TO GIVE "RUSH BREAKFAST"

The Sierra Madre Woman's club "Rush Breakfast" will be held Sunday morning, September 9 at 9 o'clock. Joe Eush, master of ceremonies will hold a quiz show, "Pay the Consequences."

There will be music under the direction of Betty Evans and a delicious breakfast served by Juanita Perry and her committee.

Word has just been received by Mr. and Mrs. Jack Mitchell, 53 S. Hermosa, that their son, T/Sgt. Thomas W. Mitchell has received orders to report for duty in Berlin, Germany, as Court Reporter for the Judge Advocate's Court for the trial of German war criminals under the Allied Tribunal. At present Tom is stationed at Fort Ord, Calif.

### QUITNER HOME SCENE OF A.L.A. INSTALLATION THURSDAY EVENING

MANY GUESTS PRESENT

New officers of the American Legion Auxiliary were installed Thursday evening at the Quitner home on Ramona Ave. with a simple but impressive ceremony. Mrs. Grace Omohundro, past president of the 18th district, was installing officer, assisted by district musician, Mrs. Marie Langstaff and sergeant-at-arms, Mrs. Jessie Speer. Those inducted into office were:

President, Mrs. Joseph Quitner; past president, Mrs. Jas. Irvine; 1st vice-president, Mrs. Walter Nollac; 2nd vice-president, Mrs. Oscar Willumssen; secretary, Mrs. Arthur Embree; treasurer, Mrs. Ralph Koon, historian, Mrs. Clarence Barker; chaplain, Mrs. Bernadine Bent; sergeant-at-arms, Miss Minnie Stinman; marshal, Mrs. Val. Miller. Executive committee: Mrs. Roy Pickett, Mrs. Lovetta Pratt and Mrs. Wm. Hopper.

In her acceptance speech, Mrs. Quitner, the president, stressed the necessity at this time for a program in which the Auxiliary will contribute to the accomplishment of the aims and purposes of the American Legion in a program of mutual helpfulness. She named the following committee chairmen:

Membership, Leila Embree; child welfare, Lucile Nollac; hospital and rehabilitation, Lotta Hopper; ways and means, Dolly Willumssen; community service, Lucile Pickett; Americanism and national defense, Augusta Coates; legislation, Bertha Irvine; education, constitution and by-laws, Minnie Stinman; poppies, Mrs. Orceila Stinman; publicity, Maybelle Barker; parliamentarian, Lovetta Pratt; hostess, Kitty Miller.

Preceding the formal part of the program Robert Quitner, son of the president, gave several piano selections which were followed by the presentation of gardenia corsage bouquets to distinguished guests and incoming officers and gifts to outgoing officers and chairmen. Delicious refreshments were served at the close of the evening.

### Sudden Death Comes to Mrs. W. A. Evans

It was a great shock to the many acquaintances and friends to hear of the sudden death of Mrs. Clara Baldwin Evans last Friday. Mr. and Mrs. Evans were planning to leave for a leisurely vacation when Mrs. Evans was stricken.

Mrs. Evans, a devoted member of Bethany church, is survived by her husband, Willard A. Evans, residing at the family home, 397 W. Montecito. There are sons, Arthur T. Evans of Lancaster, Calif., and Joseph R. Evans of this city, a daughter, Lt. E. Florence Evans of the U.S. Nursing Corps at Ft. Lewis, Tacoma, Wash. The grandchildren are Pvt. Edwin V. Evans, U.S. Army; Preston A. Evans of Lancaster, Pfc. J. Robert Evans, U.S. Army, and Frances of Sierra Madre.

The services were Wednesday afternoon at Bethany church, Rev. S. R. Sheriff officiating; interment at Mountain View.

### DEPENDENCY BENEFITS OFFICE OPEN TO OCT. 2

Temporary headquarters of the Field Investigation branch of the War Department Office of Dependency Benefits in the Engineers Building, 751 S. Figueroa St., will remain open through October 2.

As soldiers leave the service, however, the benefits are discontinued. Eligibility ceases at the end of the month in which discharge occurs.

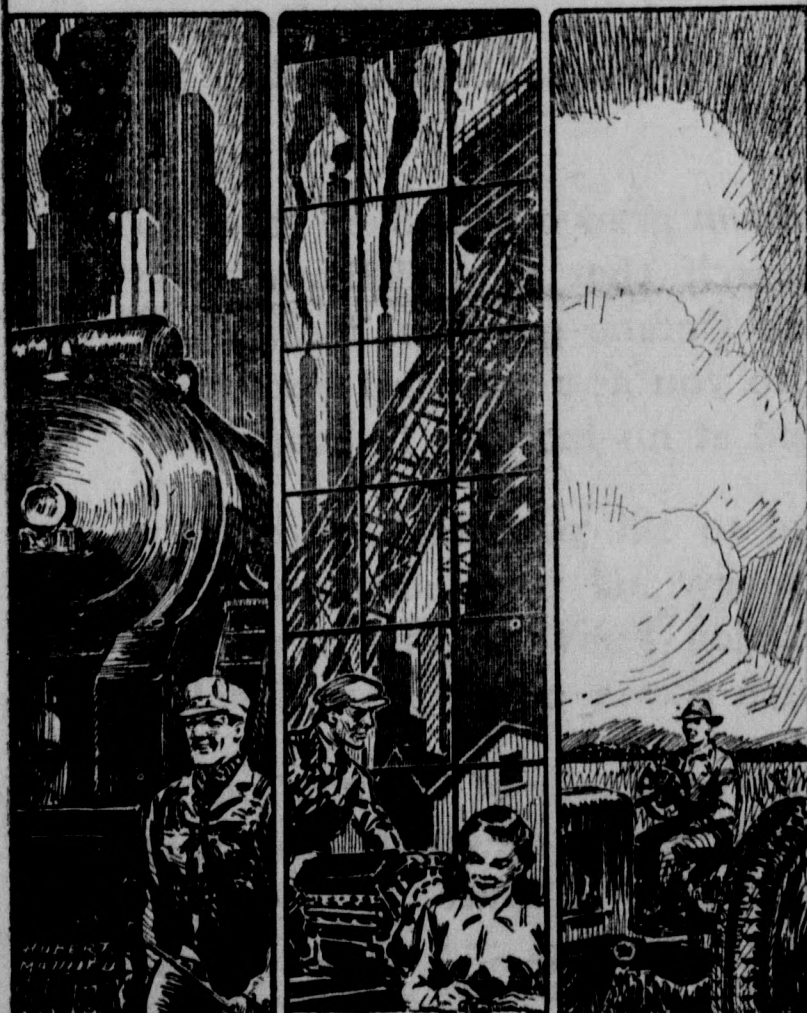

Under the Servicemen's Dependents Allowance Act of 1942, as amended, family allowances are payable for six months after the termination of war, to those dependents whose soldiers are still in the Army and in a pay status. This may be some time after the actual fighting ends, since war is terminated as of the date set by Congress.

### OKLAHOMA STATE PICNIC

The Oklahoma State society will hold its annual picnic Labor Day, September 3, at Sycamore Grove.

Rolling Cloud and his ceremonial dancers will be there. Prizes for best Indian regalia, best Indian dance and oldest married couple (married in Oklahoma).

"The brave men, living and  
dead... that from these honored  
dead we take increased devotion  
to that cause for which they gave  
their last full measure of devo-  
tion... and we may conclude  
that all we want is time, patience,  
and a reliance on that God who  
has never forsaken this people."  
Abraham Lincoln.

JUST RAMBLING QUOTES  
from the man of simplicity  
who thru suffering knew  
America's heart.

NOW TO BIND our  
wounds and beat our swords  
into plowshares, with the  
heartfelt prayer that there  
will be no more bloodshed  
now, and that universal in-  
telligence has come to fully  
understand the senseless fu-  
tility of war!

THE CORN IS GREEN,  
the kernels are yellow-gold,  
small and full—and I am  
lucky to be able to sit here  
among the sprays this hot  
weather and hold forth over  
so many lovely, garden-fresh  
vegetables and fruits!

We do not have our own  
ranch, nor do we want one,  
but by golly, we do know  
a lot of good farmers who  
keep us supplied with "the  
best at its best."

PEACHES AND PEARS  
from 9c per lb. up to OPA  
ceiling, depending on kind  
and quality. And I cannot  
praise too highly those deli-  
cious, large cantaloupes from  
San Fernando Valley. Our  
farmer does not use an eye  
dropper to "vitaminize" them  
'cause they don't need it!

THERE ARE A FEW new  
rays of sunshine coming  
thru the clouds of war! POP  
acquired three members for  
the market family for next  
week. Among them is our  
prodigal "Bud" Doty who is  
tired of Texas and Arizona,  
and whom we are all happy  
to have back with us. He  
also managed to buy a new  
latch for the meat cooler  
door, something he has been  
seeking for three years.

WHICH REMINDS ME of  
the meat department! If Un-  
cle Opy were to convert your  
old Blue Points to Red Points  
today, we would still have  
enuf meat to serve all of you  
this week end. Wonderful  
beef, veal, lamb, mutton,  
pork, hams, bacon, livers,  
tongues, hearts and every-  
thing! AND a new item,  
smoked tuna, which LES says  
you will like. POP did all right  
this week. How are you do-  
ing (with your points)?

BELIEVE IT OR NOT,  
MOM found a baby green  
frog hopping around the  
kitchen last night. Guess the  
wild frogs like MOM and POP  
as much as I do, and that's  
saying a lot!

OH, YES, I ALMOST FOR-  
GOT: You know those swell  
La Vida Beverages you buy  
here? Well, La Vida has  
something else people in the  
know have been healthfully  
using for years and that  
is a NATURAL ALKALINE  
SPRING WATER. It is high-  
ly recommended by both sick  
and well. It combats all ail-  
ments caused by excess acid.  
MOM, the R.N., says it is  
worth while. In gallons only  
and reasonable.
